10 May 1965

MEMORANDUM FOR THE RECORD

Morning Meeting of 10 May 1965

Admiral Raborn opened the meeting by discussing the letter from Kermit Gordon on budget matters. He will hold further discussion with the Executive Director on this matter.

DCI directed that a White Paper be prepared spelling out the reasons why the Agency should stay in the overhead reconnaissance field in the best interests of the country.

There was a current intelligence briefing.

ADDP noted the was in the 25X1
 He noted a report that is planning a coup, 25X1
which has little likelihood of success, in He noted that the Junta 25X1
 25X1
emergency which he is ready to issue. He also noted that Makarios has gone to Athens for talks with the Greeks.

Wheelon distributed a memo of the Soviet lunar shot this morning. There was a lengthy discussion whether such papers should go to NASA and USIA. It was decided that they could be sent to the principals with a note signed by the Director pointing out that sensitive sources and methods were used in the preparation of the paper. He noted that a new plan had been proposed for the deployment of the OXCART; DCI will talk with DDCI and DDS&T on this. Wheelon noted that the second bucket of the CORONA malfunctioned.

Bross noted he would be having lunch with Gordon Blake today, and that the NSA budget is being prepared and he will have further comments for the DCI on this.
